

## Your first day at Tti School of English

### Arriving at school

Please arrive at the school between 7:30am and 8am on your first day. You should have returned your pre-course multiple choice test to the school already, but if not, you will need an extra 30 minutes to do it at school when you arrive. Please bring your passport or identity card which we will scan on your first day. Please come upstairs to the **office** on the 1<sup>st</sup> floor where we will ask you to give us details of your emergency contact (friend or family), we will check your details, and take a digital photo for our files and your student card. (The student card will be ready the next day and you can pick it up from the coffee bar). You will then go for a speaking level test, usually with the Director of Studies in her office (Room 2, on the 2<sup>nd</sup> floor) and she will tell you which class to join.

Every Monday there is an Induction for all new students. This will take place after your speaking test. We will introduce you to the other new students and will answer your questions about the school.

If you are only studying in the afternoon please arrive at school at least 50 minutes in advance of your class starting time on your first day.

### Around the school

Then, if you have time before your lesson you can explore the school. On the 1<sup>st</sup> floor you can get a cup of coffee, tea, or squash from the **coffee bar**, and sit in the **study lounge** or, if the weather is nice, outside on the **roof terrace**. The toilets are on the 2<sup>nd</sup> floor.

### Lunch

For lunch you can use one of the many cafés near the school, or you can get sandwiches from the nearby bakery (94 Camden High Street), or Pret A Manger & EAT (opposite the school) or even something from the nearby supermarkets Somerfield (cheapest), Sainsbury's, or Marks & Spencer (most expensive). You can heat up food in the microwave in the coffee bar, and eat meals on the roof terrace.

### After your lesson

On Mondays there is usually a social activity. This may be a walking tour of Camden Town, a film in the study lounge, a visit to a flamenco bar, or karaoke (to take a few recent examples). At the top of the stairs on the first floor there is a whiteboard with details of the day's activity. Join in, meet other students and teachers, practise speaking English in real life, and have fun!

**We look forward to meeting you very soon!**
