### **PROGRAMME DESCRIPTION**

Tti works in conjunction with an employment agency to offer this programme. By choosing this programme we will offer you a professional job leading service, giving you all the training and support necessary so you can perform well and succeed in a job interview. In addition the agency will introduce you to different employers by sending you to as many jobs interviews as you need, thus helping you find work quickly. You will be assessed by one of the

agency's staff members in order to build your personal profile in which they detail your work experience, preference of job and level of English. Once that is done you can start attending job interviews more confidently. They will endeavour to find you as many job interviews as required in order for you to find work.

Services offered:

- The agency will translate your CV into English or, if you prefer, will help you write a new one.
- At Tti we can help you apply for a National Insurance Number as well as opening a bank account.
- and the most important thing: the agency offers 2 MONTHS OF ONGOING SUPPORT.
