Tti Work Experience Courses															
	We can offer any English course in combination with an internship work placement. The minimum age for internship students is 18, and at least upper-intermediate level must be achieved before the internship can begin. To satisfy visa requirements the language study part of the course must be twice as long as the work placement.														
WE-7+	For internship work placements up to and including 7 weeks add £525 to the price of your English course.														
WE-8+	For internship work placements of 8 weeks or more add £625 to the price of your English course.
